

Keep Your Presents

Under Wraps

This Year

Keeping Santa's presents a secret is super important in keeping the magic alive. Luckily, there are plenty of places to keep your gifts under wraps!

1. In the trunk of your car!

If you have a car, the trunk is a great place to hide gifts from Santa. Kids will never think to look there, but be sure to cover them with a sheet or blanket!

2. At Work!

It's always going to be risky hiding presents at home, but there is one place your kids will never find gifts from Santa. If you have the space, hide them at work!

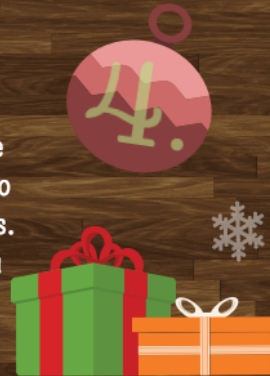

3. At a Relative's House!

Grandma and Grandpa? Aunt and Uncle? Hiding presents at a relative's house is a sure-fire way to keep your gifts under wraps! Kids are much less likely to go snooping around a friend or relative's house.

4. Under your bed!

When's the last time your kids looked under your bed? In fact, when's the last time anyone has looked under your bed? Kids aren't going to think to look under your bed for Christmas gifts. If your kids aren't the snooping type, then you have absolutely nothing to worry about.

5. In suitcases!

Your kids will never suspect you were hiding gifts in suitcases. Chances are you haven't even looked at them since that long ago summer vacation. Fill your suitcases with as many gifts as possible, and you're in the clear!
